## **MADISON CAPITAL MANAGEMENT DONATES OFFICE FURNITURE TO DENVER AREA NON-PROFIT ORGANIZATIONS**

*Firm Donates Office Furnishings to Charities In Period of Economic Downturn*

**DENVER, Nov. 20, 2008** – Madison Capital Management, LLC (“Madison”), an alternative investment management firm with operating headquarters in Denver, Colo., completed its donation of office furniture to not-for-profit organizations throughout metro-Denver.

“Madison is gratified to support many of the not-for-profit organizations that help make Denver a great city,” said Barbara A. O’Hare, Madison’s chief operating officer and managing director. “These organizations perform invaluable work within our community that benefit thousands of Coloradans each year.”

In September 2008, the firm relocated its Denver-based operations to 5619 DTC Pkwy, Suite 800 in Greenwood Village, and outfitted the new suite with new furniture. The office furniture remaining in the firm’s former operating offices in south suburban Denver consisted of more than 40 modifiable office cubicles, 25 office chairs, 30 file cabinets, conference and boardroom-style tables and other office furniture with an estimated value of in excess of \$10,000.

“Colorado Coalition Against Sexual Assault is very appreciative of Madison’s donation,” said Coalition Executive Director Meg Allen. “This organization is a vital resource for survivors of sexual assault and the support of local businesses helps ensure we continue to meet the needs of the community.”

“The American Liver Foundation can’t thank Madison enough for its donation,” said Regina Musyl, the Foundation’s executive director. “We work vigorously to promote liver wellness and disease prevention through research, education and advocacy. With Madison’s generous donation of office furniture, they are helping us carry this work into the future.”

The Children’s Hospital Foundation, Colorado Coalition Against Sexual Assault, Denver Preschool Program and American Liver Foundation are a few of the non-profit organizations that were in need of office furniture and received furnishings from Madison.
